

FIITJEE Classroom Program for Students soon going to Class IX**FOUR YEAR
CLASSROOM PROGRAM***for JEE Advanced, 2019*

This Program also helps the Student to excel in NSEJS, NTSE, KVPY, X Board & XII Board. The Program will automatically ensure that you excel in JEE Main.

IITs have restricted the number of attempts for JEE Advanced. Students just have two chances – one just after the XII board exams and the second immediately in the next year. They should try to succeed in IIT-JEE in the first attempt itself and not take unnecessary pressure as uncertainty of ill-health or any accidents while appearing for the second & last attempt could be too risky. Till the eighties, it was alright if you started your preparation just after XI and at the beginning of XII, but even then to get Top Ranks you had to begin your preparation at the commencement of XI itself. In late nineties it became a norm to start preparation at the beginning of Class XI and devote at least two years to train rigorously for IIT-JEE.

Now, with the increase in competition and keeping in mind that only two chances are available, only the very talented Students can succeed by starting their IIT-JEE training in Class XI. But, if you do not have an inborn spark that can put you amongst Top performing Students in JEE you have no other choice but to start as early as Class IX to achieve the desired success in IIT-JEE.

Four Year Classroom Program is the ideal program for Students who wish to start early in their quest for a seat at the IITs. This program helps the Student to excel not only in JEE Main, JEE Advanced but also in NTSE, X & XII Boards by building a strong foundation, enhancing their IQ & analytical ability and developing parallel thinking from a very early stage in their academic career. Students joining this program will have more time to clear their fundamentals and practice extensively for JEE Advanced, their ultimate goal!

Entire course is divided into 13 phases - 4 phases in class IX, 4 phases in Class X and 3 phases in Class XI & 2 phases in Class XII. Our Academic Phase Plan covers the entire syllabus of JEE Main and JEE Advanced. Each Phase has exhaustive Quizzes and Phase Test (both on JEE Main & JEE Advanced pattern). Additional doubt removal sessions, Rank Improvement Program (RIP), All India internal Test Series (AI2TS), All India Common Phase Test, Grand Masters Package (GMP), Rankers Test Papers File (RTPF) & All India Test Series (AITS) are integral part of the Program.

Subjects covered will be Science, Maths, Social Studies and Mental Ability in class IX & X and Physics, Chemistry & Maths in class XI & XII.
